Riding Lesson Liability Release

Warning: Under Colorado law, an equine professional is not liable for an injury to or the death of a participant in equine activities resulting from the inherent risks of equine activities pursuant to Section 13-21-119, Colorado Revised Statutes.

-Colorado Horsemen's Council, Inc.

I understand that horseback riding is inherently dangerous and agree that the rider is required to wear an equestrian riding helmet at all times while mounted on a horse. I agree that the parent of a rider under the age of 18 must be present and watch the entirety of the lesson. I agree that Carly Davis, Greg Davis, or Joyce Davis will not be held responsible for any injuries that occur before, during, and after the riding lesson. I understand that there will be a fee if I cancel or reschedule a lesson. I understand that lessons must run on time and being late will cut into the rider's lesson time. This contract pertains to any and all times lessons are performed, not just the date written hereon.
