BIT Summer Camp Horse Board Waiver

I understand that while boarding my horse on the Davis property for a BIT Summer Camp I will pay \$10 per day per horse. I am responsible for any veterinary or farrier bills resulting from any injuries incurred to the horse in question before, during, and after the time of the BIT Summer Camp. Carly Davis, Greg Davis, and Joyce Davis will take no responsibility for bills relating to the horse. I take all responsibility for the health, welfare, and actions of any persons handling and riding the said horse. Board includes alfalfa but any grass hay or grain needs to be provided by the owner. I understand that bringing my own feed does not change the cost of board.

I understand that in case of an emergency with my horse, Carly will attempt to contact me first. In the case I cannot be reached, Carly may contact my preferred veterinarian and begin treatment. I am authorizing Carly to incur bills of up to \$_____ on my horse at the vet in case of an emergency until I am reached. There is no trailering available during the BIT Summer Camp, and in case of an emergency, I will either be responsible for trailering my horse, or I am willing to pay the vet's trip charge.
